1. Consideration of accounts of receipts and disbursements for the month of October 1897.

Resolution.—Recorded.

2. Letter, dated 23rd October 1897, from the Secretary to the Government of Mysore, Public Works Department, stating that as the Dewan ordered at the last Dasara Meeting to breach the feeder channel to Doddakere at Mysore, effect may be given to it by the Municipality as it is a municipal work, and Government Proceedings No. 4971-2—L. F. 192-93 of 5th November 1897, stating that the above letter has been recorded.

Resolved that the Government be requested to reclaim the feeder as the present financial position of the Municipality does not permit it to undertake the work, and the Board apprehends danger to the health of the town to have the feeder in its present breached condition.

3. Report of the Sub-Committee on levy of Octroi duty in lieu of the loom tax.

Resolved that the loom tax be abolished and that the Board consider it inexpedient to levy Octroi duty on piece-goods of local manufacture unless other municipalities in the province introduce it into their towns especially Bangalore.

4. Sayer Daroga's report No. 62 of 24th September 1897, proposing the levy of rent of one anna per month on a maund of tobacco, three months after it is stored in the Sayer Koti, as its discontinuance has induced the dealers in tobacco to keep the article for years in the godown and give room for mal-practices.

Resolved that the Government Order No. 90-101—3, dated 10th April 1885, disposes of the question, and it does not require re-consideration by the Board.

5. Letter, dated 20th November 1897, from the Palace Controller, requesting to arrange for the exclusive use of the Brahmins the bathing ghat at Doddakere in certain hours in the mornings and evenings as it was constructed for the benefit of them by the Palace.
